APARTMENT PROPERTY MANAGERS - SPONSORSHIP OF LUNCH MEETINGS

Casey Movers provides packing and moving services for luxury apartment communities in Eastern Massachusetts, Southern New Hampshire and Rhode Island. Thus, property managers often ask us to sponsor their lunch meetings.

The answer is, "yes, we will sponsor and attend your lunch meeting!"

1.0 REQUIREMENTS:

In order for us to sponsor a lunch meeting, we ask that you provide this carrier with four in-home estimate appointments minimum. We generally provide sponsorship funds of \$25 per apartment lead. Please note that we are not asking for any recommendation from property managers or leasing agents, and we are not asking such agents to make a moving contract decision for their resident. Our in-home estimates are free of charge and no obligation to residents of apartment communities. Your clients should meet with three local movers and make their own decision based on those meetings.

Don't be afraid to get prior approval from your resident to put us in touch with them! We are a service that they need!
